Talking through the message during the week helps turn what God is saying into action steps. Get connected with some folks who will listen and dig into the word together.

Read Ephesians 2:11-14

- What does Paul say we are to remember?

Read the **other verses** (listed on the other side)

- What do they say we are to remember?
- What stands out to you in terms of what you need to remember?
- What sometimes happens when we fail to remember?
- Mike suggested 2 things that help us remember

1. *Writings*

scripture & quotes

Are there specific ones that you keep coming back to help you remember who you are

2. *Rhythms*

What are some of the rhythms that you see in the Bible?

What are some of the rhythms that you and/or your family use to strengthen your understanding of faith & grace?

- Why does Paul in **Ephesians 2** make such a big deal out of remembering?
- Why is it so important to know who we are *in Christ*?
- In what sense is Christianity about much more than a moral improvement program?

Next Steps:

- Read **Ephesians 1-2** and write down everything it says about who you are in Christ.
- Are you *in Christ* or *apart* from Christ?
How do you know?
How do continue to root yourself in this position?
- Remember, as we saw last week, that we have an enemy who wants to destroy, but stand firm, resist [**1 Peter 5:8-9**]. When hard, bad stuff happens this week, when memories of past hurt and pain surface, remind yourself of the truth of **Ephesians 2:13**... “*but now...*”
